

ADOPT-A-PET'S WISH LIST

13575 FENTON RD FENTON, MI 48430 810) 629-0723 WWW.ADOPTAPETFENTON.COM

Clay, unscented *cat litter* because many cats have allergies or can get upper respiratory problems from scented litter.

Kitten food (canned) feeds the many babies we have to care for. We ask for high quality so it helps them fight illnesses in the shelter environment.

Each week we use *cleaning supplies* (paper towels, bleach, detergent) which is very expensive.

VG's Receipts gives us much needed cash to help pay for costly meds & and medical fees.

Computer paper (8.5 x 11)

Our dogs and cats love lots of *toys*.

Thank you notes, stamps, and # 10 envelopes are the *office supplies* used most.

Medical supplies (alcohol, bandage scissors, thermometers, etc) help with the various treatments the animals must have.

Hand sanitizer helps keep diseases down.

55 gallon *trash bags* for all the animal waste.

Gift cards help with the many ongoing projects.

****Monetary* donations are always accepted and greatly appreciated.***
